Identification Number: C00005926

Reference: July Monthly Report (6/01/05-6/30/05)

Dear Mr. Syverson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 30(b) of your report discloses a payment(s) for "FEA: Postage", "FEA: Fundraising Direct Mail" and "FEA: Fundraising Telemarketing" which is categorized as Federal Election Activity and therefore, may require the disclosure of the candidate(s) this activity should be attributed to. Expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, please be advised that public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate rather than on Schedule B for Line 30(b). Please clarify if this activity meets the definition of Federal Election Activity or if it contains express advocacy and amend your report to properly disclose this activity, if necessary.

-The Detailed Summary Page, on Line 18(a) Column A of your Amended 2005 May Monthly Report (4/01/05-4/30/05), received 7/20/05, Amended 2005 June Monthly Report (5/01/05-5/31/05), received 7/20/05 and 2005 July Monthly Report (6/01/05-6/30/05), discloses \$102,037.44 in transfers from the non-federal account for allocated activity for the reporting period. However, Line 21 (a)(ii) Column A discloses \$74,948.51 as the non-federal share for allocated activity for the reporting period. While the non-federal account is permitted to transfer funds to the federal account for allocated activity, transfers for allocated activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. 11 CFR §§106.6(e)(2) and 106.7(f)(2) Please clarify the nature of the transfers-in from the non-federal account.

The Commission recommends that you immediately transfer back to the non-federal account, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule H4 of your report discloses \$2,660.98 in payments for "Consulting: Accounting & FEC", "Consulting: Technical & IT" and "Professional Consulting: Compliance" to individuals. Please clarify whether these individuals are employees of your committee. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used. Any reimbursement from your committee's non-federal or Levin account for salary and wage payments is not permissible and must be returned. Please provide clarification regarding these payments.

-Your report discloses a transfer(s) for "Offsets to Operating Expenditures" to the Illinois Republican Party which appears to be a non-federal account of your committee. 11 CFR §§106.6 and 106.7 prohibits a committee's federal account from reimbursing its non-federal account for shared allocable expenses. Also, the non-federal account is prohibited from paying the federal account's share of these expenses. These types of costs must be paid according to the allocation ratio derived from the appropriate method on Schedule H1.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If your

non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to insure future compliance with allocation regulations.

Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

-Please clarify all expenditures made for "Room Rental & Catering", "Space Rental" and "Tent Rental and Equipment" on Schedule(s) B and H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E or F supporting Lines 23, 24 or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Schedule H4 of your report discloses a reimbursement(s) to an individual(s) for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information. 11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3

-Schedule H4 of your report discloses reimbursements to individuals for "Cellular Reimbursement." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply

with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
